Thanks for the update. John informed me this morning that he had not gotten hold of Ms. MAZUR since he and I had spoken yesterday so he hasn't been able to provide her notice to cease and desist. He understands the urgency of the message and has assured me he will address it with her.

Regarding the invoice e-mail below, do I misunderstand what I am seeing? It looks like Ms. MAZUR is performing duties while suspended.

I had asked security to send an e-mail to Vince to suspend Margaret's account on the day of her termination. I also asked that it was placed in the blotter that she was not allowed on grounds. It was in the blotter but the e-mail was forgotten. We were unaware that her CWOPA account had not been suspended. This was taken care of this morning upon discovery.
